

Cancellation Policy

Our practice is dedicated to quality care and exceptional service. We respect the importance of your time and work very hard to schedule appointments that accommodate the scheduling needs of all of our patients. We want you to know that we make every effort to see you at your scheduled appointment time.

Broken, missed appointments, as well as late arrivals create scheduling problems for other patients as well as the practice. If you find that you must change your appointment, we require a 24-hour notice so that we are able to accommodate another patient.

Appointments are considered reservations and you will receive a reminder via email, text and/or call prior to this appointment. If we are unable to reach you, we trust that you will keep your reserved appointment. When your appointment is made, a time is reserved, your materials are ordered, and we make special arrangements to be ready for your visit.

Please note there is a \$45 charge for not showing up for scheduled appointments or rescheduling/cancelling your appointment within 24 hours of your scheduled appointment time.

Repeat cancellations or missed appointments may result in the need for a prepayment to reserve your appointment.

We ask for your careful consideration regarding this matter. In return, we promise to provide you with the very best dental care. 😊
